

20 years of changing lives | AfriKids 2002-2022

It's hard to believe that Nich and I set up AfriKids 20 years ago.

We saw then what is still so evident today; extraordinary local people creating transformational change. We immediately imagined everything that could be achieved if we listened to those local heroes and empowered them to deliver their own ideas. From there, AfriKids was born. 20 years on, this simple theory of change has brought over a million smiles to little faces. I'm so proud of everything our team has achieved together and what is still to come.

Thank you for being on this journey with us.
